Luckin Coffee

Barista

Manhattan, NYC
February 2026 – Present

- Prepared coffee and specialty beverages in a fast-paced environment

TruthBridge AI

Intern

Remote
March 2025 – July 2025

- Built an interactive search filter using React JS, enabling users to run custom search queries and retrieve tailored and specific college data from an Airtable database
- Worked with a small, fast-paced team using tools like Figma, GitHub, Slack, and VS Code to streamline development and design processes

OnePress TV

Intern

Remote
October 2024 – January 2025

- Developed and published multimedia content, including 3 articles, 1 YouTube video, and 2 Instagram reels, reaching a combined audience of 20,000+ followers
- Created trend-responsive content aligned with current film topics
- Applied video editing, writing, and graphic design skills to produce high-quality and engaging materials

NYCDOE Division of Instructional and Information Technology (DIIT)

Intern

Brooklyn, NYC
April 2024 – May 2024

- Collaborated with the New York City Department of Education's DIIT branch to achieve a successful website redesign, enhancing user experience and accessibility
- Presented to senior leadership, securing the implementation of numerous suggested features through a highly acclaimed presentation

Sweet Streams Academy

Tutor

Brooklyn, NYC
October 2022 – April 2024

- Supervised a class of 26 students by assisting with homework, delivering lessons, and translating English to Mandarin Chinese
- Received praise from over 20 parents for improving students' grades and study habits

Yamato Steakhouse of Japan

Waiter / Cashier

Wetumpka, Alabama
June 2023 – September 2023

- Supported the launch of a restaurant by serving as a waiter and cashier during its opening months
